We are the Friends of Accotink Creek, a volunteer group devoted to promoting the well-being of our watershed. We'll leave it to others to supply you with figures and details and keep our comments in defense of a neighboring watershed to a short and simple question.

A facility of this size and nature on a septic system in an area where neighbors depend on well water and in a county whose streams are already impaired – What could go wrong?

Sincerely,

Friends of Accotink Creek : : www.accotink.org : :
