

**Thank You for Signing [SB11](#)
Plastic Bag Litter Reduction Bill**

Governor of Virginia
Lieutenant Governor
Secretary of Natural Resources

April 22, 2020

Thank you for signing SB11 which allows localities to tax disposable bags in the face of industry lobbying to veto. The result will be a better, cleaner future for the citizens of Virginia.

The spread of unfounded fears of reusable bag contamination by lobbyists was a quite unprincipled exploitation of the current health crisis. It will be only one of many such scams that seek to sacrifice environmental protections in general in the name of covid19 recovery.

Please continue to proudly defend the environmental and health needs of all Virginians with an eye on a better future.
