Already diverted and devastated, the creek awaits burial in the crypt being built on the right.

Foreground – Vestige of the natural channel | Right - Drained channel | Left – Temporary diversion
Where the creek once ran, filled with life, now scraped to bare dirt

North Fork of Accotink Creek on death row in the temporary diversion channel
Where the creek once ran, filled with life, now scraped to bare dirt

North Fork of Accotink Creek on death row in the temporary diversion channel
Where the creek once ran, filled with life, now scraped to bare dirt

North Fork of Accotink Creek on death row in the temporary diversion channel
Duo of death – Diversion channel and drained channel of the North Fork of Accotink Creek

The Ditch of Doom, being prepared to lock the North Fork of Accotink Creek in perpetual darkness
